Custom Tshirt, Baby Clothes or Memorial Quilt

- ✓ For customers who want to fit together various sizes of tshirt graphics or combine tshirts and other items.
- ✓ For customers who want the clothing to be pieced into a more complicated design beyond the grid, on point, or brick designs described above.
- ✓ Requires more extensive digital design services to configure placement of graphics
- ✓ Prices start at \$375* for a 48" x 60" throw and are priced \$.10/square inch beyond that size.
- ✓ Solid Kona cotton borders, sashing, and fabric for the backing are included. Your choice of colors from what is available on www.fabric.com. Backing fabric can also be a soft polyester Minky fabric. These choices of backing fabrics are included in the price.
- ✓ Custom ordered fabrics: If you would like a different fabric than a solid Kona cotton for sashing, borders, and backing, that isn't a problem at all. You will be charged 40% of the cost of special ordered fabrics that aren't solid Kona cottons. I purchase only quality quilting fabric from www.fabric.com
- ✓ Photos can be incorporated into any quilt. I use a local t shirt business to heat set photos onto fabric for longevity and reduce the chance of fading. I charge you whatever the business charges me. Typically 3 or 4 small photos run \$20.
- ✓ Embroidered names and monograms are an available option to any quilt.
